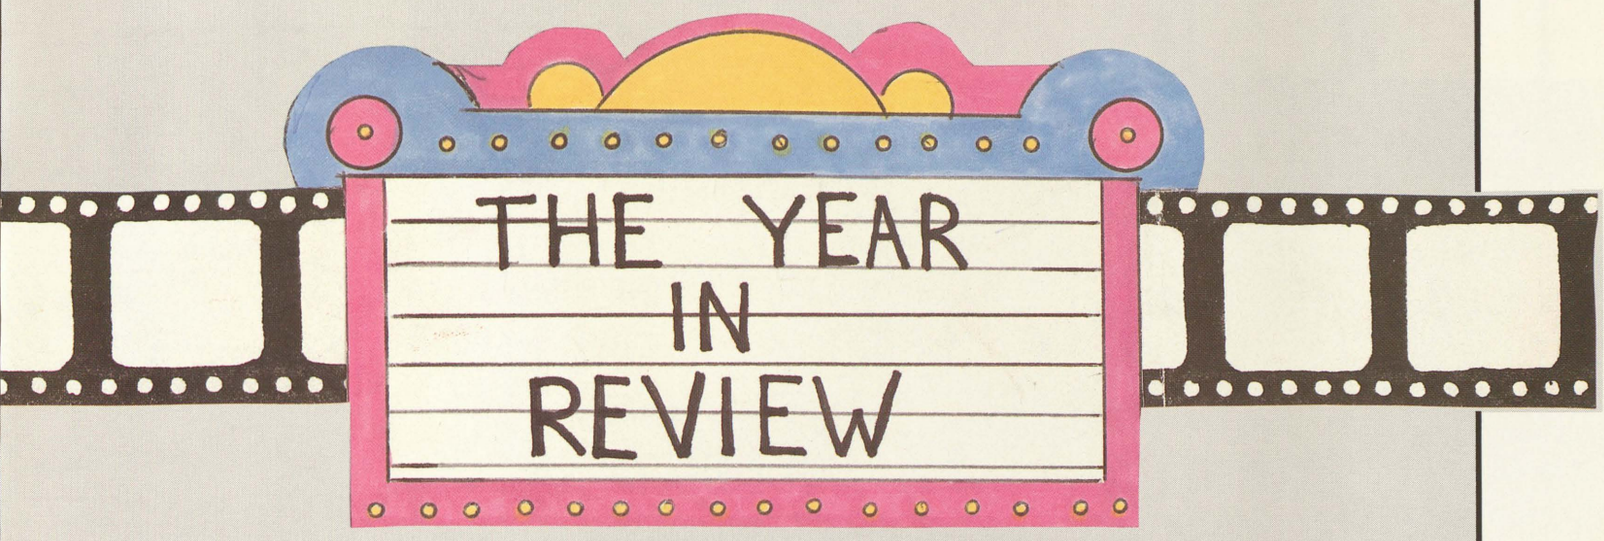
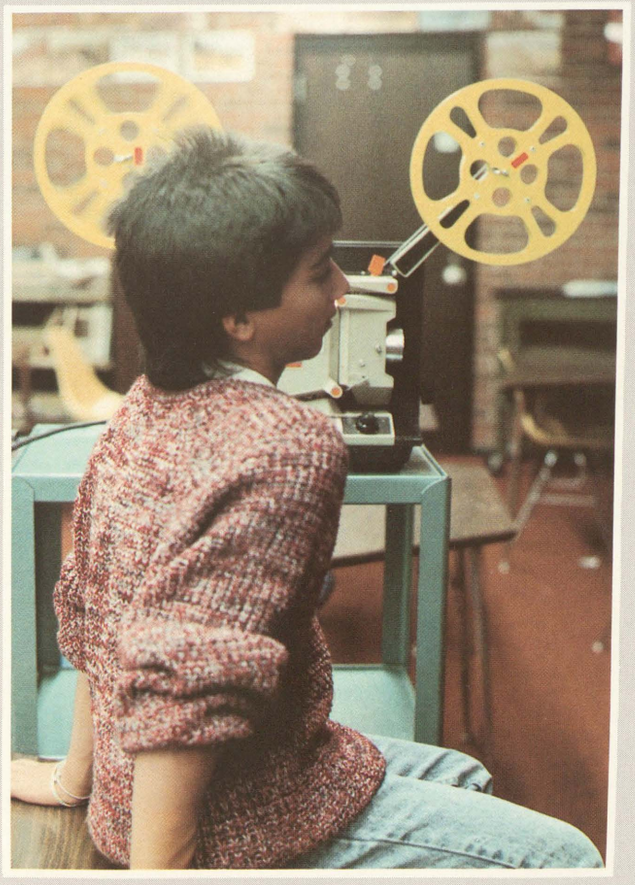
Eisenhower High School

PRESENTS





TIME: The days between June, 1987 and June, 1988.

PLACE: 3465 North Center Road, Saginaw, Michigan.

SETTING: Our story opens with the relaxed atmosphere of the summer of 1987. Captured within these few short months were many good times and new friends. But soon enough, school days were once again upon us. We all, willingly or unwillingly, returned. No matter what the attitude, spirits quickly rose as school festivities became the scene for many Eisenhower students.

CAST OF CHARACTERS: The student body making up the classes of 1988, 1989, 1990 and 1991, and the ageless faculty of Dwight D. Eisenhower High School.

RUMBO – THE FINAL CONFLICT

The Eisenhower Forum is not only involved with the school's government, but it is also behind the scenes of many of our activities. Elections were held in September, and the results were: Grant Hegenauer, President; Mike Luebkert, Vice-President; Michelle Falkenburg, Secretary; and Nikki Shuler, Treasurer.

After elections, Forum got underway immediately as it organized the very successful blood drive. The students and staff contributed a total of 46 pints of blood.

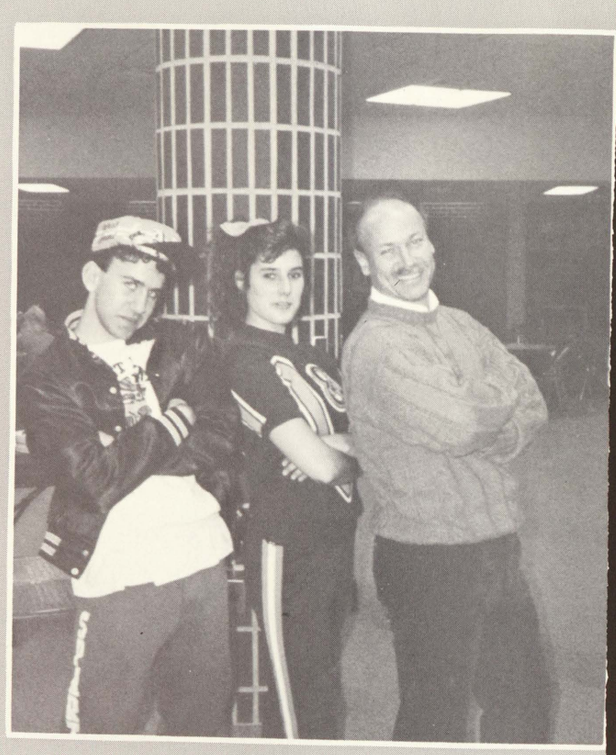
The next event was Spook & Spirit Day on Halloween. The day was filled with fun, as prizes were awarded for the best group, funniest, and most original costumes.

Following that were the Commander Court elections and dance held in February, and then the 3rd Annual "Mock Rock", with Drama Club. Both activites were four-star events!

The Eisenhower Forum was involved with many other activities, including the meeting with the MacArthur Congress to discuss next year's government at Heritage High School, class council elections in the fall, and Homecoming Queen elections.

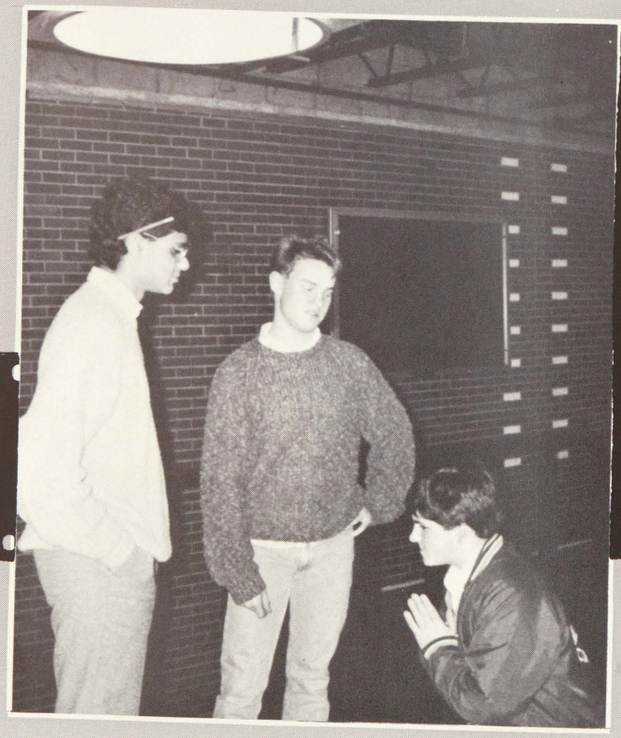
President Hegenauer was "happy that several members continually showed up at meetings." Grant was also "glad to have Mr. Rummler's help this year as well as the years passed."

Mr. Jim Rummler completed his 8th year as Forum Advisor, and we can all agree that they were eight of the best, especially the final year, 1987-1988.



President Grant Hegenauer, Kristine Becker, and Mr. Rummler demonstrate the "Rumbo Rap".

Dedicated Forum members Joe Douglas, C.J. Abbe, Robyn Van Tol, Stacey Gilleylan, Tammy Anderson, Jody Schmidt, Stacey Minnis, Crystal Falker, and Natalie Rummler. Missing: Michelle Falkenberg, Mike Luebkert, Nikki Shuler.



First year Forum member Trevor Liddle learns the hard way as Param Dehia and Gabe Hausbeck scold him for missing a meeting.

Forum members Beth Ann Kessel, Stacey Gilleylen and Joe Douglas run the Commander Court elections.

PROJECT OUTREACH STUDENT LEADERSHIP FORUM

On Thursday, February 11, 1988, one hundred MacArthur and Eisenhower students attended a Project Outreach Student Leadership Forum. In past years, these leadership forums have lasted the entire day and have consisted of moring workshops with outside speakers and afternoon discussions moderated by students. The results from the Project Outreach Student Leadership Forum; were sent to the board of education at both local and state levels.

This year a new approach to forum was taken. The program was reduced to half a day and due to the consolidation of the two township high schools this years leadership forum was geared strictly to the forming of the new high school. This was a perfect chance for the student leaders from both schools to voice their opinions and work together towards a common goal. By means of this student leadership forum many recommendations were given to the issues and concerns of the community dealing with the new high school.

The Project Outreach Student Leadership Forum planning committee met months in advance to help make this forum a successful one. The planning committee was made up of 20 students from both IKE and DM. Discussion topics were as follows: Academic Honor Programs and Concerns, Social lActivities, Athletics, Curriculum, Clubs and Organizations, School History, Promoting School Unity and Spirit, Student Rights, Student Government, and New Activities and Ideas. These discussions were very beneficial to our administrators, because it gave them a complete report of the needs and desires of the student body before the impending consolidation.

The project outreach planning committee: Front row: Eric Robinson, Grant Hegenauer. Back row: Melissa Hendrickson, Steve Palmateer, Stephanie Bierlein.

SADD FACTS

... Drunk driving will kill 70 people today alone and injure 2,150 more.

... Teenage drivers are involved in one out of every six motor vehicle accidents that occur.

... Someone is killed by a drunk driver every 23 minutes.

... Of all the people who kill themselves in single vehicle accidents, 3/5 were drunk.

SADD IMPROVES

Pictured above are the students from MacArthur and Eisenhower who attended the SADD Michigan Conference: Julie Perea, Maria Morford, Julie Frank, Amy Crampton, Teri Birkmeier, Stephanie Bierlein, Betty Arn, and Melissa Hendrickson.

Pictured above is Ike's SADD group. Below, exchange student, Ina Rentrop and Debbie Graham dress up for SADD's Halloween trip.

AS IT UNIFIES

The 1987-1988 school year was a very good one for Eisenhower's SADD Chapter. They kicked off the year by sending four representatives to Mackinac Island to attend the second annual SADD Michigan Conference. "The conference was very beneficial to us because we learned a great deal about strengthening our group and we were presented with new activities to promote awareness in the community", said sophomore Teri Birkmeier.

Recently many additions were made in the organization's government. This was the first year the group had an advisor. Mr. Robert Quinn, a counselor at IKE, took the responsibility of advising the group. "Having an advisor that was so involved with SADD was a big help. The guidance and adult input helped the group tremendously", commented SADD member Jim Schultz. Also, the group created more jobs and new offices to be held in order to give more people a chance to have more responsibility in the group and to balance the distribution of tasks. Added to the prior offices of president, vice-president, and secretary/treasurer, were a second vice-president, social director, publicity chairman, education chairman, historian, and representatives from all four classes.

SADD set and reached many goals during the 1987-1988 school year. They strived to increase awareness of the effects of drinking and driving not only in the school but also in the community. They made their annual trip to Maccabee Gardens in October and planned to consolidate with the SADD chapter at Douglas MacArthur in late February. They also had a bowl-a-thon to raise money to aid in their awareness campaigns. These were just some of the activities SADD involved itself in to make the year successful.

OUTDOORS

WHERE THEY WANT TO GO

They survived rain, sleet, and snow to conquer the elements of the great outdoors. The Outdoor Club saw a great increase in membership, as many people wanted to show off their Daniel Boone traits.

The club took two trips in the winter months. One was a canoe trip on the Manistee River, and the other was a train ride through Canada on the Snow Train.

"It's hard getting to sleep when you have no body heat," replied Mark Colby. Mark and many other people learned quickly that to stay warm, you must all sleep together. Tents then were occupied by 10 to 12 people in order to stay warm.

Canoeing proved to be the exciting trip of the year as temperatures were much warmer than expected. As it happens every year, someone fell in the river. This year it was the canoe of Charlie Perkins and Grant Hegenauer while they raced Mr. Jim Klug and Kurt Kruse. Huff and Puff was the nightly entertainment and it kept everyone by the fire till the wee hours of the night. No matter how the campers spent their time, it was always fun.

This year's officers were Carrie Beckwith, President; Todd Cates, Vice-President; Melissa Hendrickson, Treasurer; and Sandi Wells, Secretary.

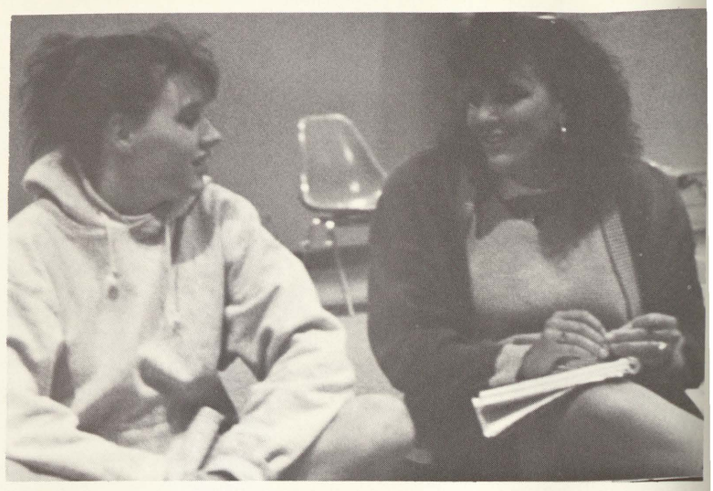
PEP CLUB ENERGIZES STUDENTS DURING IKE'S LAST YEAR



The fall of '87 was a very eventful one for IKE's Pep Club. Early in September the organization sponsored a spirit week to fire up the students for the last football game between Eisenhower and MacArthur. Throughout the week students and faculty dressed up to follow themes such as Rambo Day, Concert T-Shirt Day, Daytona Day, Generic Day, and the traditional Green and White Day.

Next on the organization's agenda was Homecoming. Planning for the elections of the court, the assembly, the half-time ceremony, and the Saturday night dance began weeks in advance. Pep Club voted on "Changes" by David Bowie for the Homecoming theme and began selling tickets for the dance one week prior to the event. "This year's Homecoming was a big success for us. We sold the most tickets for the dance that have ever been sold and ended up with a very good profit", commented Secretary-Treasurer Cathy Fleschner.

After the Homecoming festivities ended, Pep Club had time to concentrate on promoting spirit for the fall and winter sports. They also gave themes to their winter dances. The school year came to an end with a spring spirit week and the guys' legs contest. All in all the organization did a very good job of making Eisenhower's last year a spirited one.

FOREIGN LANGUAGE

This year the foreign language club was more than busy. The foreign language department received all new teachers this year and they really got the students involved. It was a slow start at first, but things really got going. Some students participated in the Foreign Language day at SVSC and Central Michigan University performing songs, poems, plays, skits, and dances. For Halloween they sold balloons. Around Christmas time all the foreign language classes collected canned foods for the Salvation Army. They accumulated a total of 800 cans. In February students sold carnations for Valentines Day and also M&M's. In the end of February the club took a trip to Crystal Mountain to go skiing for the day. Other activities included were the ethnic dinner for the whole club and the Spanish club went to Clio for a fiesta. It was a busy and successful year. Hopefully next year these new teachers will keep their motivation in keeping the students involved.

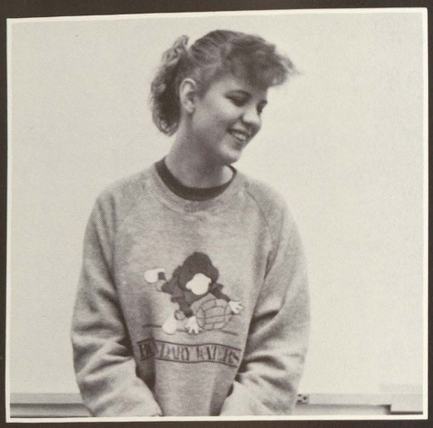
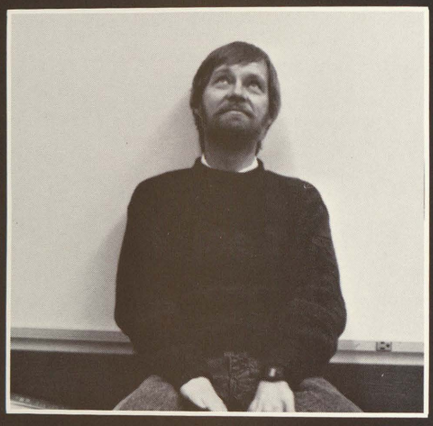
THE YEARBOOK BUNCH





There's a story of a girl named Lisa, who was busy with three groups of her own. They were three groups working all together, yet they were all alone.

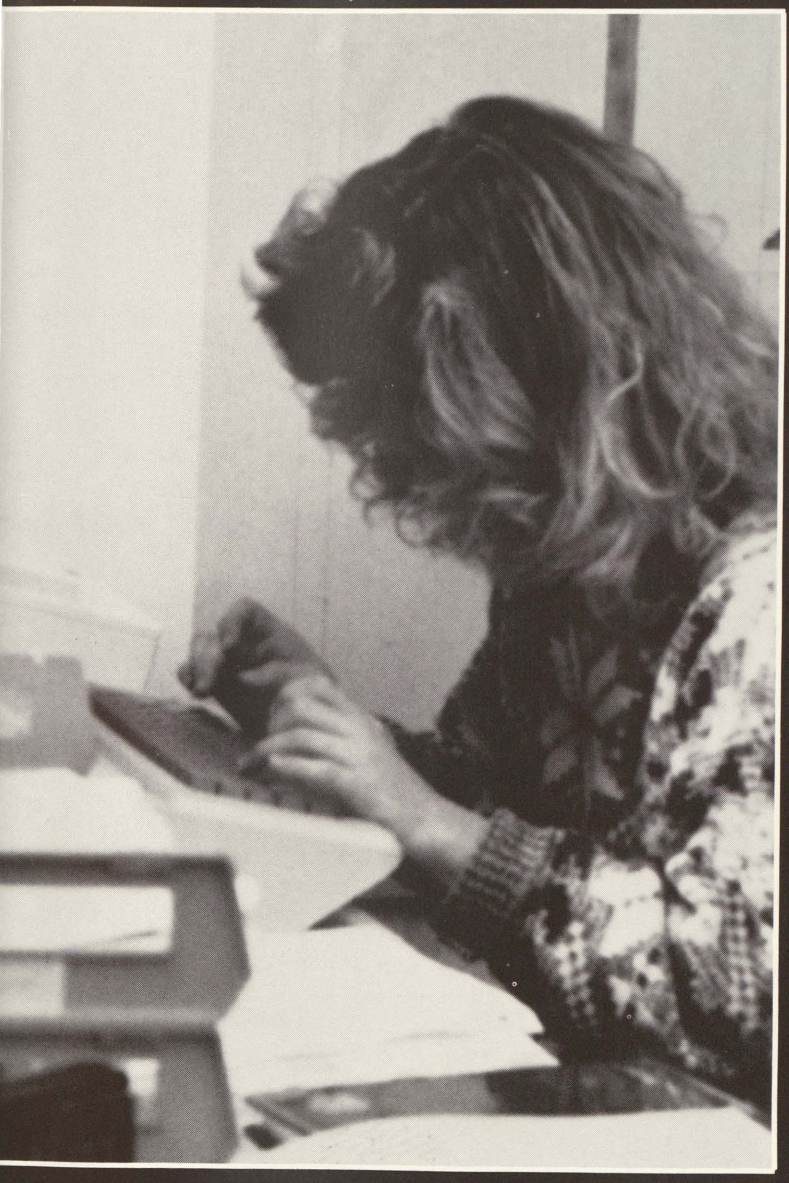
There's a story of lovely Carrie, who was bringing together three very hard working groups. All of them had minds of gold, like the editors, and they were quite a troop.

Til the one day when Rol Crane brought all the groups together, and they knew that it was much more than a hunch, that this crew must somehow form a family, that's the way we all became the yearbook bunch.

THE YEARBOOK BUNCH, THE YEARBOOK BUNCH, THAT'S THE WAY WE ALL BECAME THE YEARBOOK BUNCH . . . !

1988 YEARBOOK STAFF IS:

Wendy Antell, Stephanie Bierlein, Julie Bartel, Carrie Beckwith, Matt Beyersdorf, Cherie Campbell, Matt Cantu, Colleen Dukarski, Cathy Fleschner, Jenny Galinski, Kelly Gerwin, Melissa Hendrickson, Kelly Kleppert, Jennifer Lewicki, Steve Levendowski, Jill Martin, Dawne McCubbin, Dana Monson, Jodi Mueller, Judy Pi, Mark Przybylski, Wendy Rigg, Mindy Schluchter, Lisa Schultz, Jennifer Sweeting, Jenni Tinney, Kim Tobin, Norene Troutman, Sandy Wells and Advisor Rol Crane ... left; Julie Bartel pretends to work well with Norene Troutman ... lower left; Kim Tobin buries her nose in the computer.



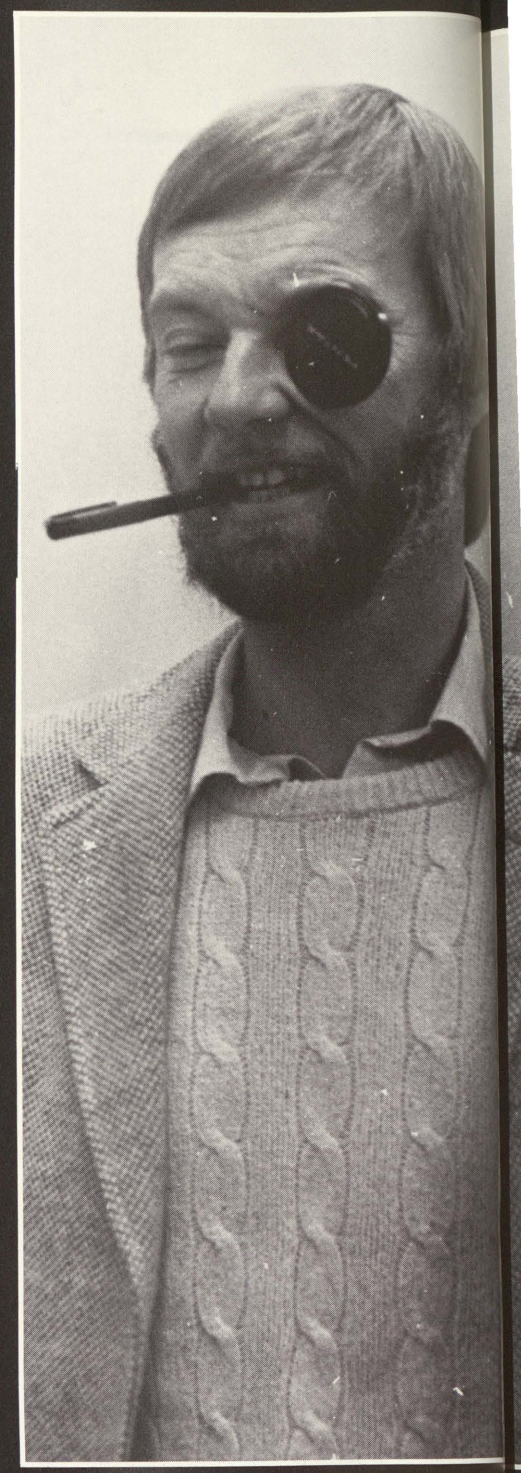
SO WHAT DO YOU THINK?

We hope our efforts have been a success this year but, that is for you, the reader, to decide. After hearing many complaints at the end of the '87 year ranging from, "the yearbook is a hardcover senior book" to "Who made all the senior pictures different sizes", we decided that it was necessary to unify the book with some sort of prevelant theme as well as making it a fun book that includes every student of Eisenhower High School. Therefore, we began organizing at the end of last year for this year's yearbook. Before coming back to school this year, we had already had chosen a theme, division titles, and a basic structure or layout of our book. Also completed or partially completed were many of last year's spring sports which are not usually thought about until the following fall.

At the start of the year, we worked diligently to complete the opening section, '87 spring sports, and fall sports as well as senior pictures and mug shots. As the year progressed we tried to keep on top of things, such as what our school organizations, athletic associations and administrators were accomplishing. Thus, we look upon this yearbook as a success and we hope you do also. This has been the last year of Eisenhower High School, and what a good year it has been.

AS THE WORD TURNS

Newspaper staff found itself facing many new challenges in the 1987-1988 school year. After recovering from the 87 move to MacArthur High School as a result of the great fire, they found themselves in more familiar surroundings this year. With all new faces, the IKE News Staff utilized its fullest potential with many new, creative ideas. Under the direction of Rol Crane, the Newspaper Staff covered a wide variety of topics ranging from light subjects such as Grant Hegenauer's "Heap of the Month" to more serious matter such as "teenage drinking". The Staff is expected to produce 6 papers this school year (3 each semester). They increased their circulation this year by expanding to MacArthur High School. Other improvements are the addition of color (blue) to their spreads as well as more detailed graphics. Also this year, the staff has tried to bring together Eisenhower and MacArthur. They have incorporated MacArthur students in the class during second semester and plan to have a 4-page spread through the center of their paper.



1988 NEWSPAPER STAFF IS:

A POOR PLAYER THAT STRUTS AND FRETS HIS HOUR UPON THE STAGE

How much do you know about Forensics? Well, I'm going to tell you. There are many events one can enter in competition with, including radio cast and story telling, along with various forms of speeches, such as an informative, impromptu, duo, oratory, sales, dramatic interpretation, and serious speech.

When one enters in any of these events, there is a certain amount of time to prepare before presenting it to the judges. The next step is the grading for semi-finals and finals. Regular meets are held every Saturday throughout March, then come Districts, Regionals, and finally State competition.

The Forensics team was quite large this year, with many new faces on the team. Many were underclassmen, therefore next year's team will be experienced.

Hopefully, you understand what Forensics is and realize how fun it can be. Who knows? You may be a new face on stage next year!

The Drama Club produced two plays this year. The first play, "Who am I This Time", was a narrative starring Gabe Hausbeck and Jenny Sweeting who played two actors in love. Todd Cates had the hardest job being narrator for the whole play. The student director was Sandi Wells. The second play "Louder! I can't Hear You!" was about a family that has a lack of communication. The main characters for this play were Jim Schultz as the father, Bill Chu as the son, and Babs Byrne as the daughter. The Drama Club had a new advisor, Jackie Derocher, this year. The club enjoyed her very much and learned a a great deal from her. "It takes hard work to put on two plays and there are a lot of people behind the scenes," says Jenny Sweeting. A lot of work and imagination is used to make props and clothing, and to put on make-up. But in the end the commanding performances received their well-earned applause.

THE SOUND OF MUSIC!

The choir had many great moments this year. The choir sang Christmas carols at the Fashion Square Mall and helped out with the Toys for Tots program. They also made an appearance at the Millet Learning Center near Christmas. The choir had a competition at the Civic Center which they placed in the top four choirs. The Rueban Daniels Life Long Center invited the choir to sing under the direction of a director from the famous Interlockin Camp in Traverse City, Michigan.

When performing, the Eisenhower choir shows a sense of togetherness. "Choir is really a great class, it's like we're one big happy family", stated choir member Joel Abenth. This big happy family raised money to go to Toronto for a competition and performed better than they had expected to.

AN ENCORE PERFORMANCE

The band plays a big factor here at Eisenhower. Our band plays at all home football games. It ranges from 35 to 40 members, all in which need the proper uniforms and instruments.

Band starts rehearsing for the year in late August. By September 2, the marching band is ready to perform wonders for the crowds.

A band student, Tonya Samuels, plays the flute and piccolo, and says she enjoys band. Tonya's been in the band since 6th grade. All band students learn a new piece every game, including various pop hits, along with the Eisenhower fight song. They also work especially hard during Homecoming, at which their work can be seen by their excellent entertainment.

. . . GET A KICK OUT OF IT

Together that's the way they do it. The pom-pon squads this year really worked together. The girls ended last year with their famous beach blast dance which provided them with enough funds to go through the 1987-88 school year. The pom-pon girls went to regionals and silver dome competitions. At the beginning of the year they went to a speed learning competition and both squads took a second place. The girls also added a little more spirit to the halftimes of the football and basketball games. Their tadition continued when the varsity and junior varsity squads performed together at the homecoming football game.

Once again this season the cheerleaders have successfully promoted school spirit at football games, basketball games, and pep rallies. Not only has the Varsity squad proven themselves at games but at competitions as well. Over the summer they attended the Midland County Fair Cheerleading Competition and received first place. Also during the summer, both the JV and Varsity squads attended camps. Here, they not only practiced a lot and worked hard, but had a great time.

During the school year, the Varsity squad participated in the Northeast Region Cheerleading competition against four states. They did an excellent job by receiving third runner-up.

The captains of the three squads are: Varsity, Ann Koski; JV, Denise Davy; Freshman, Meri Kress. They were coached by Nikki Culver and Nancy Schade.

COOPERATIVE EDUCATION

Co-op is becoming very popular at Eisenhower. It is a great way to experience holding a real job, while at the same time achieving two credits and also earning extra money. There are several co-op programs available, such as office co-op, Distributive Education, Trade and Industry, and Pre-Professional. Students are able to choose their co-op program, but are required to take a class related to their job. A minimum of fifteen hours a week on the job must be completed by each student. The students are visited on the job by Ms. Carol Socha, the coordinator at Eisenhower, every ten weeks. During each visit, Ms. Socha and the supervisor formally evaluate the student. While participating in co-op, one must write a report for Ms. Socha each week summarizing what is done on the job and in the related class. The majority of co-op students make minimum wage, but some jobs pay more. Many students keep their positions on through the summer, working full-time, as they find their jobs to be very rewarding.

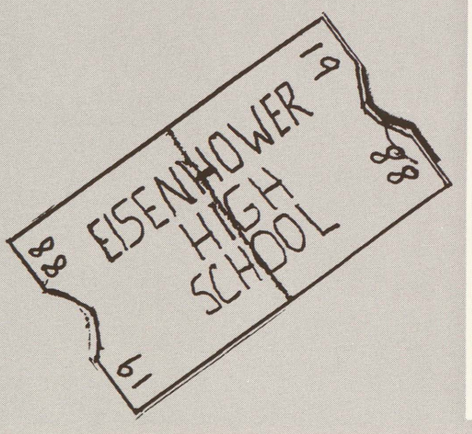
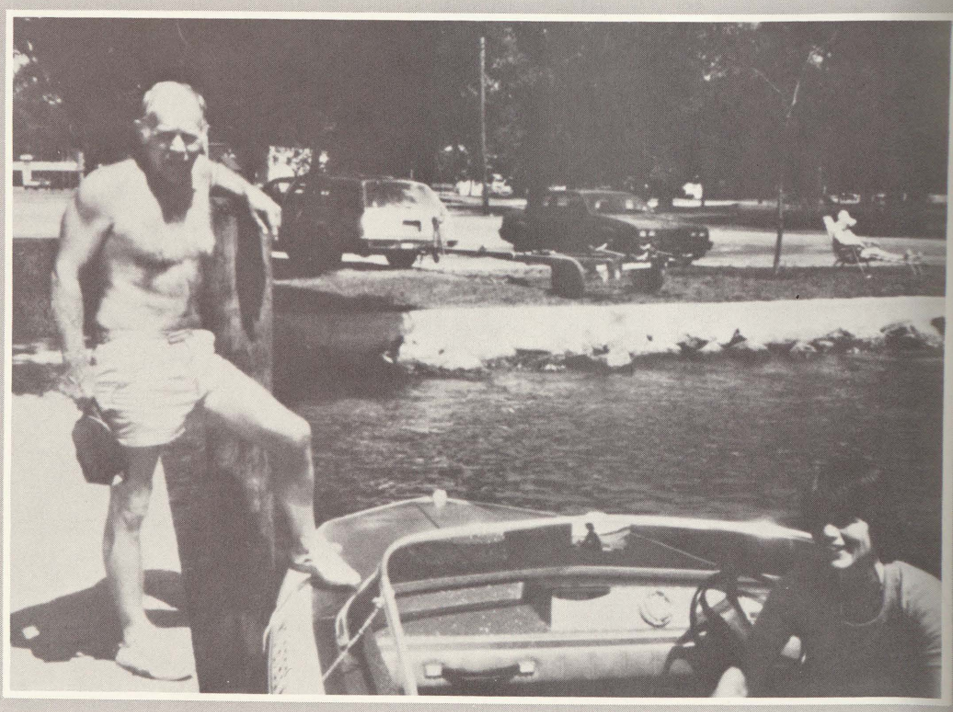
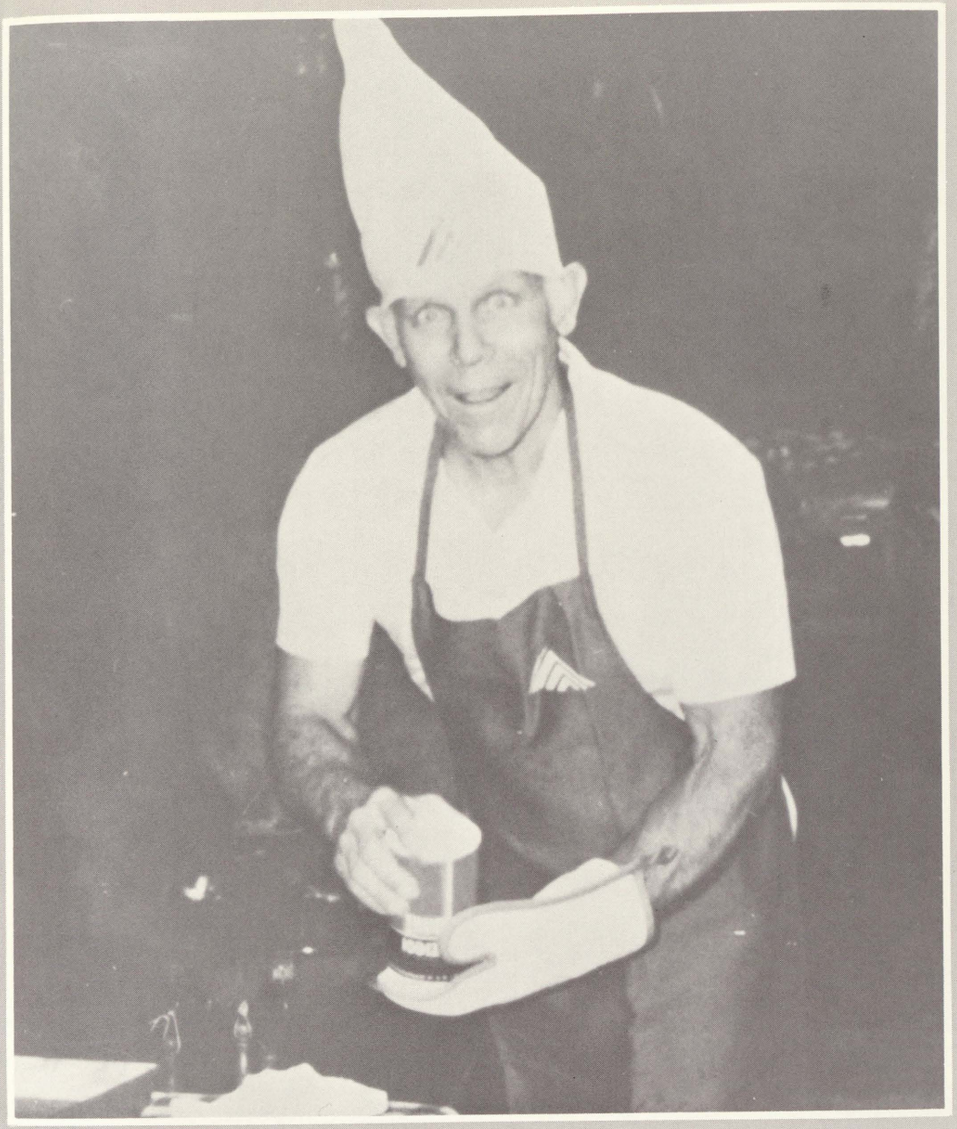
CLASS OF "1988"



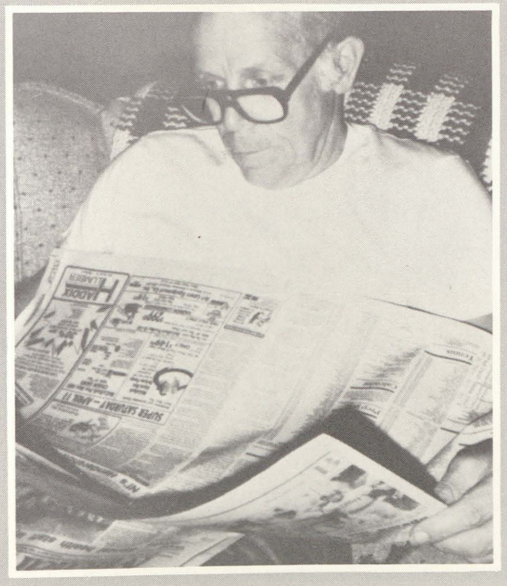
You might know . . . he's still captain of the ship.





So THAT'S who cooks the school lunches!!!

Chappy checks up on the "real world" before he reenters.



Our oldest senior, Principal Charles Marvin, left Eisenhower and education after the 1988 school year. After his six years as assistant principal, he applied for and was appointed to the position of Eisenhower principal.

Mr Marvin worked at the college level prior to joining the Eisenhower staff. He stated that adapting to high school was hardest. He admitted that he had a hard time suspending students for long periods of time. He enjoyed seeing students "turn themselves around" in high school and eventually graduate, and often felt that he had a part in helping them.

Mr Marvin has always enjoyed the outdoors, and is trading his 37 years in education for a chance to get involved in conservation projects and other outdoor activities.

The class of 88 is proud of its "senior graduate".

A TEACHING EXPERIENCE

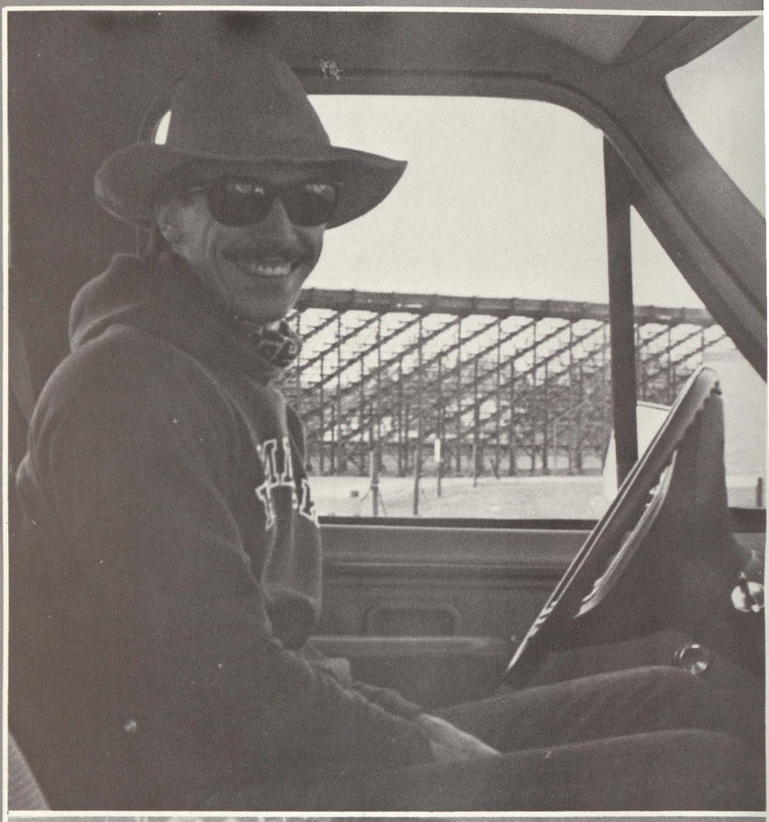
Eisenhower High School was the first choice of James Klug, student teacher from Central Michigan University. When asked why he would want to become a teacher, Mr. Klug replied that he "wanted to share learning". He believes that it is important for kids to learn from the past. He also believes that "words disappear, but writing lasts forever."

"It's a lot different to experience it than to be lectured on it," said Klug of teaching. He feels that having live people and experiencing the effect of their personalities changed his views toward teaching. "At college the professors try to tell you how to teach but basically you have to teach yourself as you go."

In addition to being a student at Central Michigan University, Mr. Klug was very busy. He and his friends ran a business called Jobs Unlimited. They rennovated and maintained campus dorms. Mr. Klug enjoys fishing, hunting, and music.

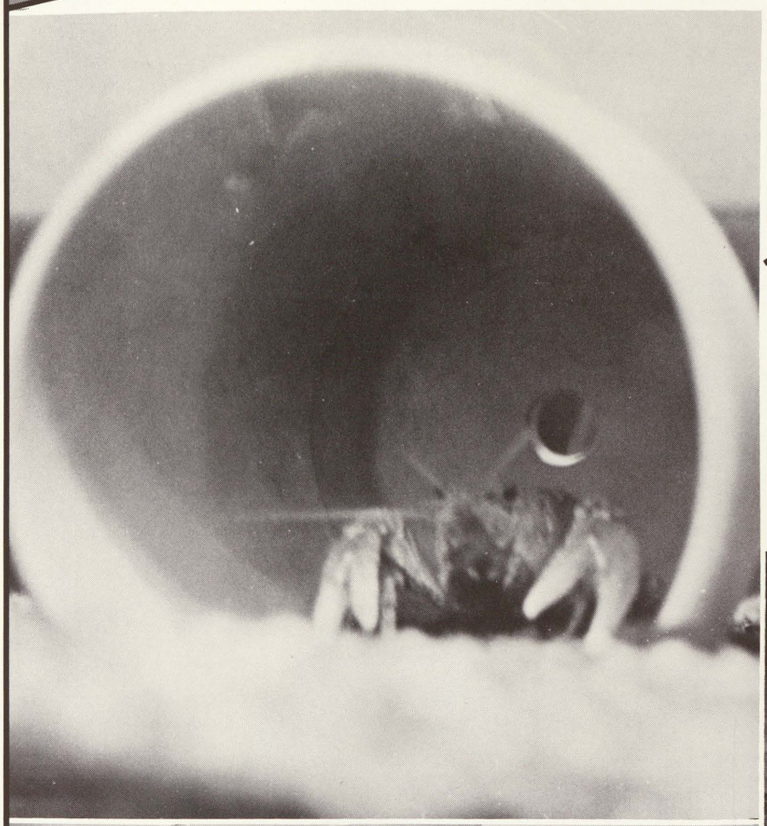
"There is a real world and it can be very cold," said Klug of life after college. "After college you get to the real world where mommy and daddy aren't there anymore, and you're on your own."

After graduation Mr. Klug planned to take a year off to decide if he wanted to stay in teaching. He planned to move back to Mt. Pleasant and work on his favorite passion, writing. "I'm going to have a stereo, a table, and a typewriter," he said.



"Culture is a very important part of the learning experience" states Mrs.Beatrice Miranda. This year Mrs. Miranda was added to our foreign language department. Many may have known her last year as Miss Pastor, a student teacher for Mrs. Hunter. This year Mrs. Miranda is a teacher and enjoys being a teacher rather than a student teacher because she has more control in the classroom. "I feel that I can teach them my way and that no one is looking over my shoulder." The one major advantage that Mrs. Miranda has over other foreign language teachers is that Spanish is her native tongue, so her knowledge and pronounciation of the language comes much more easily for her and makes it much more enjoyable to teach. She also is able to tell her students how America differs from Spain. Mrs. Miranda hopes that the students,"not only learn the language, but also the culture."

WEIRD SCIENCE



The Biology Department is expanding young minds. Under the direction of Mr. James Benjamin, Mr. Rudy Emerick, Mr. Kim Kolbe, and Mr. Richard Williams, the students are able to widen their horizons. Students are working with two areas: plants and water animals. The work with plants includes studying the seasonal changes which brought about the changes of leaves in the fall. The work with water animals includes the watching of fish reproducing, the growing of crawfish, and the dissecting of frogs. Soon the Biology II department will be dissecting pigs. The quality of Eisenhower's Science Department is greatly admired by both students and faculty.

EXCUSES, EXCUSES, EXCUSES

Many, many students have been caught skipping class by Mrs. Marge Rupp, our attendance office secretary. She's seen (and heard) all of the excuses and now can catch the skippers easily.

Mrs. Rupp can usually differentiate the voice of students trying to excuse themselves and their parents excusing them for real. Nevertheless, she always calls bsck to be sure the excuse is valid. "When students try to call in for themselves, sometimes I catch the voice, others I don't. But I immediately call the parents, that way I know for sure." Mrs. Rupp also knows many 'tricks' used by students: "Most of their stories I've already heard", says Mrs. Rupp. She also added the most used excuses: "the same old car trouble; missed the bus ...", however, Mrs. Rupp knows the students have brand new cars and their alarm went off late. Tardiness is one thing, but skipping is another story.

When Mrs. Rupp doesn't get an excuse for classes missed, she reports it to Mr. Billiter. From there, the student will receive one to three days suspension. However, Mrs. Rupp doesn't feel this is helping the student because most of them simply shrug it off and treat it as a vacation.

Who are the 'skippers' at Eisenhower? The majority come from the freshman and senior classes. The freshman do it because seniors, on the other hand, skip without thinking about it. Most figure, "it's my last year, I deserve a break." The sophomores and juniors are the same as last year's and don't skip excessively, or at least they don't get caught as much.

DISTRACTIONS IN CLASS

Have you ever found yourself sitting in class working intensely on an assignment — totally blocked out from the rest of the world, when all of a sudden someone begins sniffing (or should we say snorting like a pig), interrupting your train of thought? Let's talk about some of the minor annoyances in the classroom and what we can do about them.

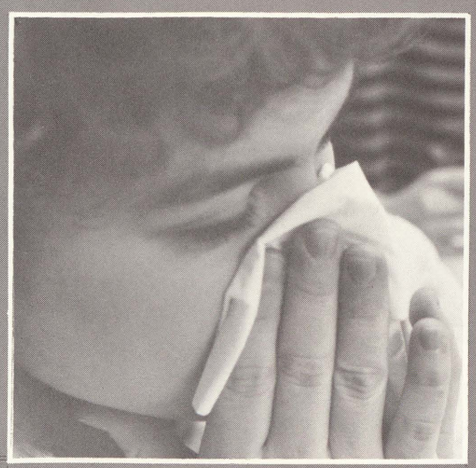
Now, to solve the animal noises above, you could say, "If you need some Kleenex, I think the teacher has some on the desk — maybe you just didn't see it." That'll teach 'em!

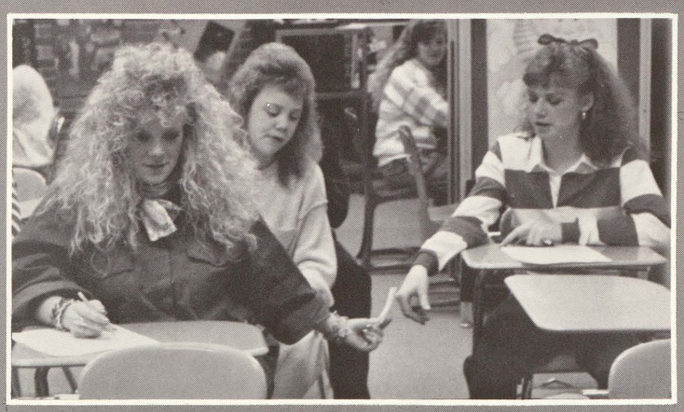
Another disturbing scene: You're in a small, full classroom. It is a hot and humid day, similiar to a sauna. Suddenly a raunchy odor comes lingering up from the ground to your nose. You discover it's your neighbor's smelly tennis shoes. How can this be taken care of? Well, you casually turn to the culprit and subtly ask, "Doesn't it smell like old shoes in here? It reeks!" That person is sure to agree with you, and will notice later that day that it is their feet that smell! The next thing you know, they will have a new pair of shoes! Problem solved!

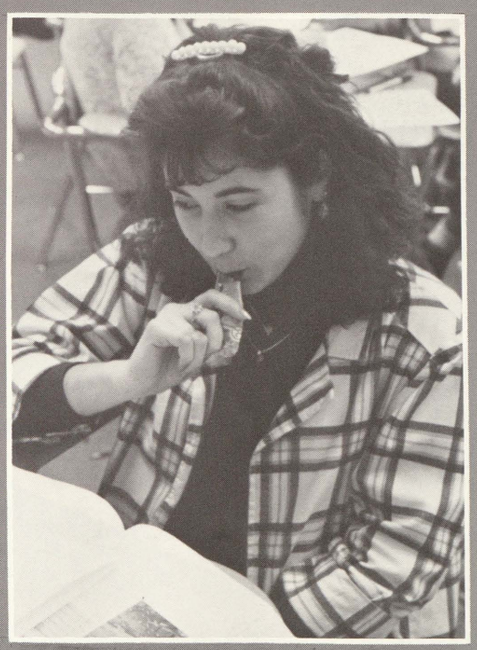
A frequent annoyance is the copycat. If you haven't noticed, there are quite a few people in this school who do not do their homework, so what do they resort to? Copying your paper! Allow me to describe a situation to you and see if you recognize it: You are taking a spelling test. You glance over your right shoulder and there is some kid with his eyes bulging out of his head and he's practically falling out of his desk in search of your answers. What a bother! What can you do to take care of this uncomfortable situation? Simple — write down the wrong answers and make sure he copies them. Wait until he turns in his paper, then change your answers to the correct ones and hand it in. To make this little trick complete, ask him, "What did you get?" when the papers are returned. He won't know what to say because he is so flabbergasted that he flunked and you got an "A"!

Of course, you never commit these meticulous crimes! But one distraction that we all are guilty of is a growling stomach when we're hungry. We know the scene: It's final exam day and the class is quiet. All of a sudden, you feel something like a volcano about to erupt inside your stomach. A (what seems like) never-ending grumble emerges from you not only once, but at least three or four times! Everyone looks at you and laughs — embarassing!! To solve this, keep candy on hand in case of an emergency, or just cough really loud so no one can hear it!

I hope this article has helped you solve a few of your distractions in the classroom, or maybe it has helped you realize that you're the problem! If that's the case, quit these minor irritations because you're bugging the rest of us!







Upper left: Shelly Maturen takes time out to blow her nose. Center: Whose smelly shoes ? Left: Looks like Tammy Anderson didn't study! Above: Leslie Castillo enjoys her candy more than her history.

A special

Thank You

to Jenny Sweeting for all the help and hard work she gave us.

The Yearbook Staff

The artistic director (and chief artist) for this year's Introspectus was Jennifer Sweeting. A graduating senior, Jennifer plans to study art at a four year college and seek a career in the commercial art field. She is currently studying art at EHS and at Delta college.

In addition to designing the yearbook cover and division pages, Jennifer provided artwork for the school newspaper. She also found time to paint a wall-sized mural of mountains and wildlife on the publications room wall.

PARENT ADS

Congratulations Yale,
We are very proud of you. We will be behind you in everything you do!

Stephanie,
Life with you has certainly been interesting — never a dull moment! You're a wonderful daughter and sister. You've made your family very proud. We love you very much. Mom, Dad and Stacy.

Congratulations Ruth!
May God bless you!
Love, Mom, Dad, and Stacy

Congratulations Wayne!
To a great athlete, but more important, a wonderful son. Thanks for the many fine memories. We all love you and will always be behind you.
Mom & Dad

Congratulations Jennifer!
We are proud of you and wish you much success and happiness in the future!
Love, Mom & Dad,
Jayne, Sue, John, and Dort

Congratulations Scott,
You are one of a kind.
Keep smiling and the world is yours!
Love,
Mom, Dad & Beth

DeDe —
We are all so proud of you. You are a wonderful daughter and sister, but more than that you are a good person. We wish you good luck, good fortune, but most of all, we wish you love.
Mom, Dad, Meredith, Ashley, and Lindsey.

Cindy Godt
Congratulations! We're very proud of you and love you dearly. May God guide you and keep you safe. Remember He loves you too!
Mom and Dad

Congratulations Greg,
We are very proud of you. You have survived the adversity of death and a move to a new city. As traumatic as this was it has prepared you well for coping with life's challenges. I know you will succeed in whatever you undertake.

Eisenhower captures state title

"I started getting really nervous about that last goal, and about the way they were dominating after that," said All State goalkeeper Colleen Gilleylen, "but I just hung in there and counted on my teammates to pull us through." And they did, as Eisenhower High School became Michigan's first class B girls soccer champions.

The team beat number one ranked Plainwell by a score of 3-2 to cinch the state title. Even though the score was close, there was no doubt who dominated the game. "Eisenhower is the best team in the state," said Plainwell coach Doug Beauregard.

Goals were scored by sophomore Wendy Iamurri on a wall pass from Molly Ward, All State midfielder Tammy Anderson on a breakaway, and junior winger Chris Doran on a long throw in by Molly Ward. The unsung heroes of the game were senior midfielder Tricia Bamberger and All State sweeper Kathy Jacobi, who held Plainwell's high scoring Hendershott sisters to only two goals.

The Commanders finished the season with a 13-2-2 record, and were named the number one team in Michigan. Coach Roland Crane was named soccer coach of the year.

. . . BETTER LUCK

TEAM FULL OF POTENTIAL

The 1987 Varsity Softball Team had one of its more disappointing seasons last year. What made the season so disappointing was not having as many wins as anticipated with a team having so much potential. The final record for the season was 13 wins, 20 losses for all games and 4 wins, 6 losses in conference games.

The team was led in hitting by juniors Leann Luplow, Lori Moskal, and Nikki Shuler with .333, .330, and .294 batting averages, respectively. Lori Moskal, who pitched in 20 games, and senior Chris Cole, a six game starter and finisher, took care of most of the pitching duties. Toward the end of the season, sophomore Torri Vasey was brought up from J.V. and became a starting pitcher for three games.

As the season ended, several players received area awards. Junior Jodi Haskin was elected to the White Pine Conference First Team. Elected to the White Pine Conference Second Team were Leann Luplow and Lori Moskal. Jodi Haskin also received honorable mention for the All-Area Team.

IKE DOMINATES D. M. 6 - 2

With a record of only 8-19, the highlight of the varsity baseball season was the win 6 - 2 win against D.M.

Eight of the teammates were seniors and according to the catcher, Mike Vayre, "A lot of seniors who didn't play their junior year played this year and I think that their experience helped us."

"The stats may not have shown the ability of the team this year but towards the end of the season we started playing pretty good," said Don Beyer.

Four players were nominated to all-conference teams. Sophomore Mike Beyer was named Honorable Mention for his outstanding play. Junior Don Beyer was named to all-area and all conference first teams. Seniors Jason Wood and Matt Maturen were named first and second all-conference teams respectively.

Maturen led the team's batting average with a .463 while Don Beyer was right behind him with a .412.

Just one

With positive attitudes and a lot of strong will, the Eisenhower girls track team strived for a good season. There were few girls on the team but they all worked very hard. At the Garber Invitational the team used all their effort; however, they lost many events due to injuries. Overall in the White Pine Conference the team came out with a record of two wins and three losses. Two seniors, Kristy Misekow and Corrine Payk, earned honorable mentions in the White Pine Conference. Also, freshman Wendy Rigg was named outstanding runner for the team. The girls had a fun and successful season that ended with the traditional pizza party which topped off the season perfectly.

NO RUNNING AWAY

Matt Hirshchberger makes another successful jump.

Looking at the season one might think the Eisenhower Boys Track Team had a bad year. As coach Hugh Matson said, "We lacked depth." Then of course their individual runers showed great potential.

The relay teams were outstanding! The 800 relay team which consisted of Joe "see ya at the finish line" Sanchez, Larry "didn't mean to drop the baton" LaFray, Cliff "speed of light" Wicks, and Jeff "too tall" McInerny went to state. They qualified with their best time running in the fast heat. Also qualifying for state were Cliff Wicks in the 100, Joe Sanchez in the 200 meter, and Matt Hirschenberger in the high jump.

All in all everyone on the team performed well, and the coach was pleased with the team.

A SMASHING SEASON FOR BOYS VARSITY TENNIS

The Eisenhower Boys Varsity Tennis team worked hard to achieve quite a lot in the spring of 87. They started their season out on a positive note as they became co-champions of St. Mary CC Invitational. Moving forward with strenuous practice handed out by Coach Bill Stocker, the team continued on to become White Pine Conference Champions for the second consecutive year. Could winning be catching? It sure seemed to have been last spring. The Commanders were honored by becoming Regional Champions and then by placing 8th in state, ending up an outstanding season with a record of 13-0.

"The 1987 Boys Varsity Tennis team was without a doubt the best team in Eisenhower history. We had tremendous depth with three of the best doubles teams in the state. The singles line-up was the strongest ever with the seasoned players at each spot. I'm really proud of this team and I believe that their record of 13-0, state ranking of 8th, White Pine Champions, and regional champions will have this team remain as Eisenhower's greatest ever," said Coach Stocker.

It was a season of satisfaction for the Eisenhower Girls' Varsity Tennis Team, especially for Coach Jim Teal, as he reached and passed the 250 match victory mark.

The season was satisfying for the players, also, as they came in second place at the White Pine Conference Tournament. A personal victory involved the #1 doubles team of Amy Brisbois and Helen Brady, who toppled MacArthur for a first place finish. A second place finish at White Pine allowed the team to advance to regional competition. The season ended there with a fourth place finish.

As the season wound down, many players received awards for their outstanding play. Voted to the White Pine Conference first team were Lekha Karu, Babs Byrne, and Helen Brady. Cathy Clement, Jennifer West, and Amy Brisbois received honorable mention. Both Amy Brisbois and Helen Brady earned the most points and received the Most Valuable Player award. The Most Improved Player award was presented to Cathy Clement, while Babs Byrne was the recipient of the Coach's Award.

Keeping the ball on the ground was a problem for the team this year, but it didn't slow them down; With a record of 14-2-4, they still made it into the quarter-finals.

"We thought we finally had the chance to go all the way this year. This has been our dream since we were freshmen" said Gary Miller. Grant Hegenauer added, " I feel we were a close-knit group playing together for so long. The thing I'll miss the most is not having the guys around to play soccer with. To me we are the All-State Team."

Even though the season had a very emotional ending, the team did great throughout the whole season. It was a season nobody would ever forget.

P J Miles feels they could have taken state if the team would have taken one game at a time and wouldn't have assumed that they were already in the state finals. "We don't have anyone to blame but ourselves", he said.

John Leonard feels there is so much politics involved, all the Detroit schools usually get all the post-season recognition. "I dont think it's fair" says John.

The win against Petosky marked coach Bill Hartle's 100th victory. It was a memorable season for everybody.

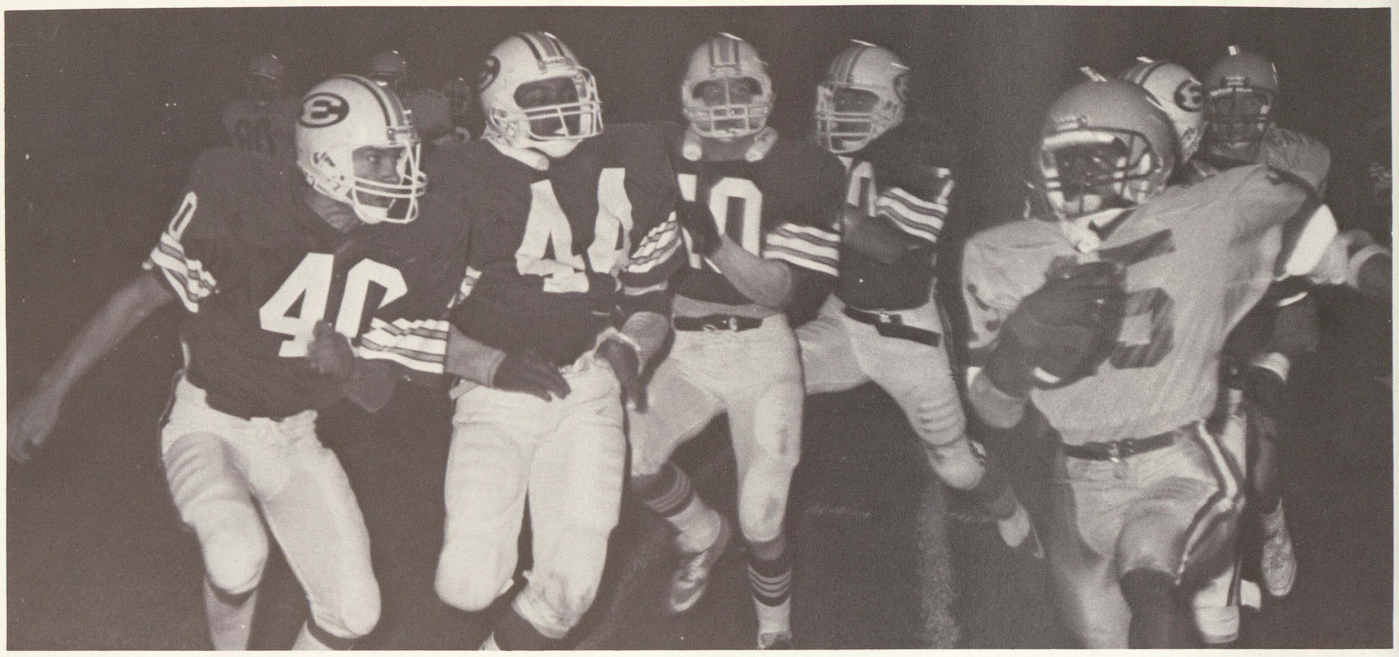
FRUSTRATING BUT FUN



Welsch, Vaughn, and Doyle out to stop Bridgeport.

Losing most of their starting players the previous year, the team had a challenging season ahead of them. "Although stats may not have shown it, the team did have a lot of fun" says Jeff Krzyzaniak.

With a record of only 2-7, you would have thought that there wasn't much talent on the team but that proved to be wrong. Twelve players were named All-Conference Honorable mention including: Yale Miller, defensive end; Cory Ruppel, offensive guard; Ken Bean, center; Mike Vayre, offensive tackle; Chris Himmelein, defensive tackle; Marc Thomas, fullback; John Hausbeck, guard; Kurt Nichols, linebacker; Marc Rummler, offensive back; Nathan Vaughn, defensive back; and Ulysses Byas, defensive back.

Shaun Doyle and Jeff Krzyzaniak were named to the All Conference first team. Doyle, one of three captains, also led the team in tackles while Marc Rummler lead the team in scoring. The two other captains were Dave Halstead and Nathan Vaughan.

A big disappointment came early in the season when the team had to forfeit their first game, which they won, to Cadillac becasue of an ineligibility problem. Cadillac also had to forfeit the game for the same reason, so in the record books, both teams lost the game.

PERSEVERANCE MEANS MORE THAN WINNING

Although the Girls' Varsity Basketball team wasn't the best ever, their spirits were high and they never gave up hope.

Most of the games were dominated by the IKE players in the first half, but they seemed to fall in the second half. An example of this was the Nouvel game. Eisenhower led by 19 points at the half. "We were really strong in the first half of the game, but we just couldn't pull the rest of the game through," said team captain Mary Swartzendruber. This was also evident in the MacArthur game when the Commanders were on the top the entire time until they lost it in the last few minutes. Every game was summarized by a quote from coach Jim Noble. "It doesn't matter if we win or lost as long as you hustle."

Players Mindy Schlucter and Liz Vondette were lost due to injury for a majority of the season.

Even after a slow start, Varsity Golf finished with the top twenty-five teams at the state tournament. "They had character," mused Coach James Benjamin, "and I was proud of the way they played." He was especially enthusiastic about the Oscoda Invitational Tournament from which he boast an incredible trophy signifying a first place status. The Varsity Golf team also finished third at the White Pine Conference and third out of seventeen teams in regional competition.

Coach Benjamin, who teaches chemistry in his spare time, named Dave Faerber, a senior, as Most Valuable Player. Most Improved Player was a junior, Rick Thomas. Both players received their awards at the gourmet Varsity Golf banquet. Benjamin ended by saying he was "happy with the season and happy with the attitude of the players. They had character."

In order to finish with the top twenty-five teams in the state, they must have had character!

FOUR RUNNERS MAKE ALL-CONFERENCE FIRST TEAM

"You've got to want to get better! Running is 90% brain and 10% training," said Wayne King, a senior on the cross-country team. He was a primary figure on this year's team. He received numerous awards and recognitions, including M.V.P., first-team all conference, and first team all county.

The only other returning runners besides King were Dennis LaClair and Bill Lucas. However, the team was very successful for consisting of mostly new runners, as they won seven meets and lost only two. The team finished second in conference, sixth in regional competition out of 21 teams, and were victorious in the township meet, as they returned the trophy to Eisenhower.

Special honors for this year's season went to team captain Dennis LaClair, for his first team all conference and second team all county recognition. A.J. Verhanovitz was recognized with first team all conference and third team all county honors. Bill Lucas was awarded Most Improved Runner as well as second team all conference. Second team all conference and second team all county honors were received by Angie Barrera. Barrera and Jennifer Ross were the only girls on this year's team, and they were a vital part to the team's successes.

Since the team will only lose two runners, members predict good things for next year's season. Coach Dave Hernden ended a great season by saying to the team, "I want to congratulate you on a very good year."

TEAMWORK PAYS OFF

Wet and wild! That's what best describes the Eisenhower girls swim team. They finished their season with 9 wins and 3 losses. They placed fourth at the tri-cities meet out of the top 6 in the area they ranked third.

This year's team had no seniors and many first year swimmers. Junior Rachel McLaughlin said "It was a really good year. Our first year swimmers did great and improved a lot as the season went on." Rachel also said "the team was really close and we stuck together."

The team wasn't just all work; at the end of the season they decided to have some fun. After the tri-cities meet, the team spent the night at Lisa MacArthur's house. The fun didn't end there. They decided to drive to Bay City and toilet paper the coach's house. This wrapped up their season which was a most enjoyable and memorable one.

With seven returning players who had a total of 17 years of Varsity experience, the Commander volleyball team started the season with two conference wins. They were led by seniors Leann Luplow, the captain, and Lori Moskal, Lisa Schultz, and Nikki Shuler. The highlights of the season were taking MacArthur and Bay City Handy to three games each. In the DM game, IKE was led by Luplow's 14 service points and Schultz's 12. Playing one of their best games of the season against Handy, who were ranked 3rd in the state, Moskal led IKE with 18 points and perfect setting. "Lori played very well, she is an excellent setter and server," said junior Abby Erway, who had 30 spikes and 10 kills in one her best games.

The team was plagued by injuries and illnesses. At one point in the season, three players were on crutches, Nikki Shuler, Dina Hackett and Mindy Schluchter, who was out before the season started due to a knee injury. Hustle and hard work paid off as the team came together in tournaments and placed in every one.

Leann Luplow said, "We all really wanted to win and that is what made the difference. Colleen Gilleylen is a real hustler and that really gets the team's motivation up." While the juniors and seniors were the foundation of the team, with the experience and skill of the game, the sophomores really added the spark and spirit.

The Boys' Varsity Basketball Team concentrated on a year of improvement for the 87/88 season. The team was off to a slow start losing its first four games; but Christmas Break rolled around and the boys concentrated on improving their skills and quickening their speed. "This team learned how to work hard and strive to get better. Their success cannot only be measured in wins and losses," commented Coach Boswell.

Their dedication paid off in a thrilling victory against MacArthur during their second confrontation of the year. What made the win even more exciting was the fact that it was the final in the "Battle for Center Road."

Much of the team's performance can be attributed to two outstanding sophomores, Chris Jacobi and Chris Robinson. Robinson was brought up from J.V. Also, players Scot Jonker, Jeff Mc Inerny and Robinson were consistently listed as Township Area Scoring Leaders.

The team ended up with a record of 6 wins and 14 losses. Since the team's success was acheived in improvement, hopefully, success will also show up in the win-loss record in years to come for future "Hawk" players.

LET IT SNOW . . . LET IT SNOW . . . LET IT SNOW . . . AN OUTSTANDING SEASON FOR VARSITY SKI TEAM'S!

Frightful weather or not, Eisenhower's ski team's made the most of their last year before the great merger. Starting in early December, the J.V. and Varsity teams began indoor practice in front of Coach Richard Williams' science room. The team continued indoor practice throughout December, as their prayers for snow seemed fruitless. These infamous prayers consisted of "make snow . . . make snow . . . ", in various languages and religions ranging from American Indian to Buddhist (Coach Williams' crazy idea!). Most team mates regularly participated in this activity. Finally, in late December, scant amounts of snow trickled onto Bintz's apple mountain and Mt. Holly, where the racers could regularily be found. Although not a massive amount of snow fell, it was still, ski-able. After Christmas Break, The real ski season began. With meets beginning the first week in January, the varsity teams set off on the right skis. With victories over Nouvel, MacArthur, Fenton, Valley and Hemlock, both girls and boys teams had perfect records of 5-0. Things seemed to slow down towards the end of January as both boys and girls teams suffered extremely close losses, sometimes by only a hundredth of a second. Girls varsity team ended their season with a record of 6-4 and placed 4th in the divisional meet. Boys varsity team ended with a record of 8-2 and placed 3rd in the divisional meet, which qualified them for the league meet held at Pine Knob each year. Also qualifying as indivdual skiers were junior Sue Perkins and freshman Jeri Hallman. Hallman was the only skier to win awards, placing an outstanding 8th in the slalom and 7th in the giant slalom.

IKE's J.V. team this year was larger than ever. Top skiers for the boy's and girl's teams were freshmen Josh Schluchter and Kristen Charboneau. Both took 2nd for the team at Grant Hanks' J.V. meet at Mt. Holly. Even though many of members were just beginning this year, the team did well over all. At the Don Thomas Cup at Alpine ski resort the team had a great time, though the highest places won were 26th and 27th. There were hundreds of skiers at the meet and they had a super time. Hopefully next year there will be more new and better skiers. With few girls graduating from the varsity team and talented underclassmen and junior varsity skiers, The new Heritage High of 1988-89 should have many wins in store.

It was a rough year for IKE Hockey as experience was needed for this young team. Bob Vargas and Don Beyer led the team in scoring. When scoring wasn't needed, checking was essential and Shaun "Country" Doyle showed people how the ice felt. Steve Malace was in the net for the Commanders throughout the season playing extremely well for a first year goalie. Although the record wasn't great, the team had a lot of fun. Final season record was 5-15-1, overall, 4-8 in the league.

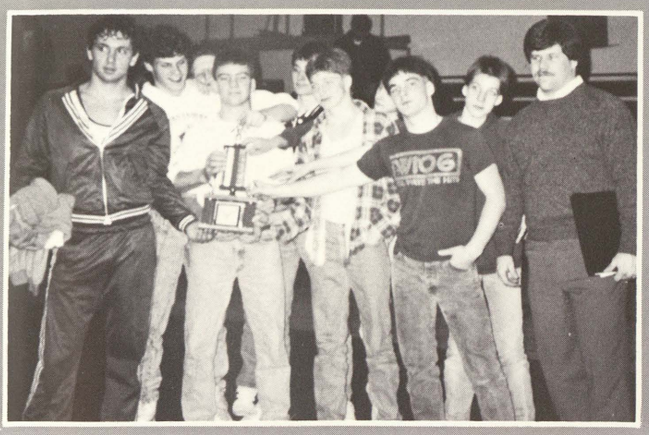
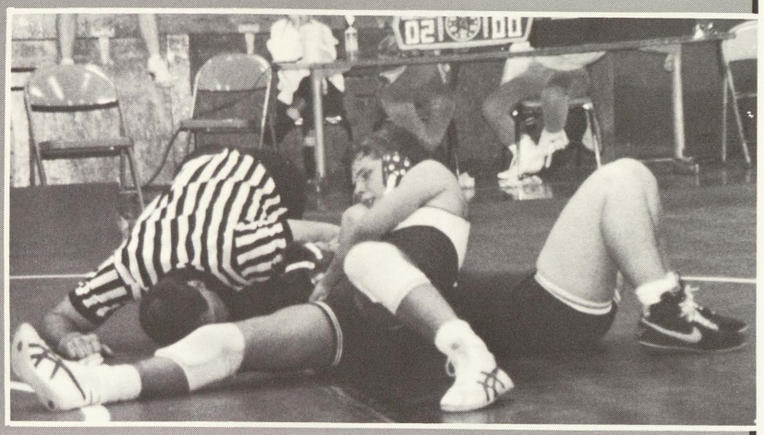
VISION QUEST

EISENHOWER STYLE





The Varsity and J.V. Wrestling Teams include: Jason Bohinski, Tom Brasseur, Marc Bressette, Mike Brodzinski, Carl Cravens, Keith Elwood, Bryan Engel, Tim Garchow, John Hausbeck, Ray Hollingsworth, Erik Kaupa, Ted Kurtz, Bob LaFollette, P.J. Miles, Dave Miller, Fred Nagel, Matt Rausch, Jeff Riedel, Mike Riedel, Tom Talley, Marc Thomas, Mike Vayre, Gary Zieroff and Mark Zieroff.

Eisenhower wrestling fans were treated to a fine season as IKE pulled off its best year ever. Even though the team finished with the best record in Eisenhower's history, none of the wrestlers qualified for state competition.

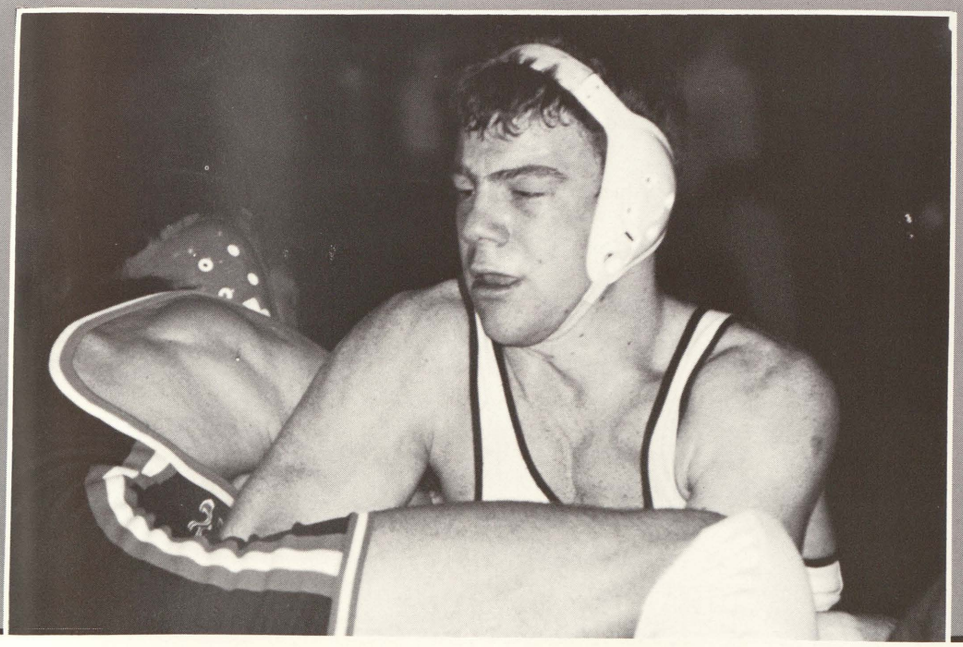
The stars of the powerhouse included Ted Kurtz, P.J. Miles, Marc Thomas, Fred Nagel, and Jeff Riedel. The wrestling Commanders were coached by Doug Owenby and Rob Cook.

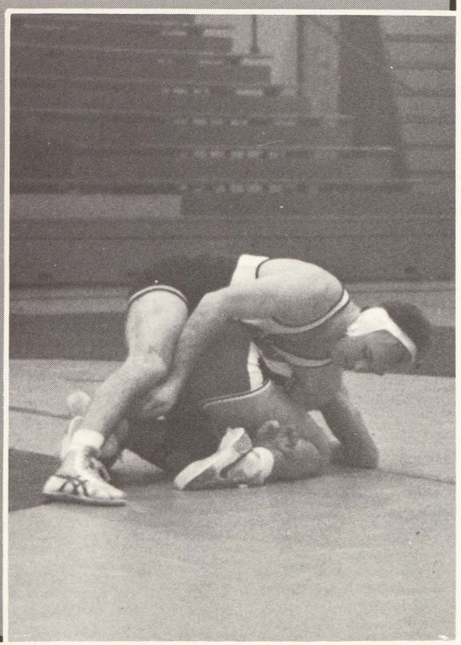
"It's been the best year for all the wrestlers on the team. Everyone has done real well," said senior Jeff Riedel.

P.J. Miles was the first wrestler in Eisenhower's history to win 100 matches, followed by Ted Kurtz and Jeff Riedel who also reached the 100 win mark this year.

Wrestler Bryan Engel said, "We had good coaching this year. It was fun beating on P.J."

We did better this year because we had harder practices and we stayed at Eisenhower and didn't have to go to MacArthur like last year. Our assistant coach, Rob Cook, was state runner-up two years in a row when he was in high school," said sophomore Fred Nagel.





IKE EMERGES FROM THE DEPTHS

The Eisenhower swim team has improved greatly from last year. The team, which is powered mostly by seniors and coached by Pat Welter, has proven themselves this year. Joe Douglas, Dave Krueger, and Mark Thompson broke a ten year old record at Midland Dow for the 300 yd. breaststroke in December. Also in December the team took second place in both the Arthur Hill and Midland Dow Relays and in January they took third in the Midland High Relays. The swimmers qualifying for state were: Keith Klein, Joe Douglas, Mark Thompson, and Dave Krueger, all in the breaststroke. Keith later went on to qualify for five other events. Joe ahs the pool and team record for the 100 yd. breaststroke. Once again this year the team carried out a four year old tradition of taping Brian Michalski to a bench!

All in all, the Eisenhower swim team ended with an excellent record of 11-1.

The Junior Varsity Vollyball team had an outstanding season with a 12 and 1 season record. Their only loss was to Mt. Pleasant.

Sophomore captain Alicia Ulbricht and junior co-captain Sandy Jancyzewski helped lead the team past Center Road rival MacArthur. "MacArtur wasn't as tough as we thought they would be," said sophomore Shannon Savage.

Coach Carol Muslin had seven players return, consisting of three juniors and four sophomores. The seven "veterans" joined four freshmen to bring together a very sucessful season.

The team consists of: Trisha Antell, Nicole Boyer, Susan Dornseifer, Jennifer Frazer, Krista Janczewski, Sandra Janczewski, Shyelle Muslin, Shannon Savage, Jodi Schmidt, Tracy Schramke, and Alicia Ulbricht.

VOLLEYBALL HAS ITS UPS AND DOWNS . . .

Even though their record was not the greatest, 0-7, the whole team played hard and tried their best. The team improved greatly from their first game. Many of the girls had never played volleyball before and the thrill of being on the team and playing was fun. The girls give much appreciation to their coaches that gave up their time to come and help the unorganized girls.

The team members include: Michelle DeVeaux, Elaine Caris, Jennifer Ross, Tracy Brefka, Cindy Macnowski, Liz Dumbra, Kathy Webb, Lisa Wall, Jill Newbold, Julie Skindziel, and Vicky Beach. The coaches are: Sherry Macnowski, Cathy DeVeaux, Sharon Brefka, Nancy Dornseifer.

RUNNING HOME . . .

Last years J.V. baseball, despite their record had many outstanding players. Although it was hot, many of members of the team kept the spirit up. The whole team performed well, though the average was low as coach Lou Dulac said "I think the junior varsity team has got some talent that hasn't blossomed yet . . ." One of the team members, Gary Gallagher, was out for half of the season with a leg injury, and the summer heat hindered the whole teams ability. With Gary out, and problems with the teams attendance to practice, the team didn't make it to the state championships. Many times in the season players weren't at practice on time, or at all as Aaron Alverson said "nobody showed up, we couldn't keep the team going with so few people." If your having any trouble with the idea of the game baseball, I will explain. Baseball you see is one of the less complicated sports today. To start you take a bat, a total stranger throws a ball at you as fast as he can, and you try to hit it. If you don't hit it is the catchers job to keep it from killing him. If you do hit it the ball hopefully goes far, then you run as fast as you can in the shape of a square, trying to get back to where you started, as soon as possible. The other team trys to get the ball back to make you out. That's all, pretty easy huh? use these directions and you'll go far.

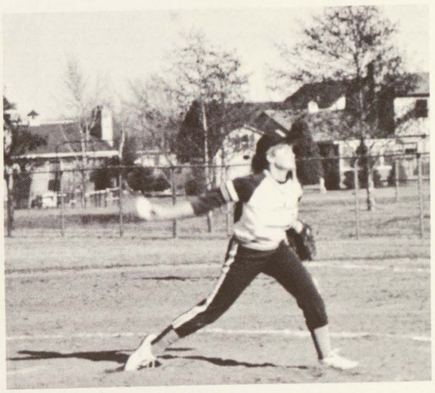
"This was one of the strongest freshman teams to come along in a long time", says Coach Bill Allen. The team proved this with their outstanding season of 16-4.

"Everything we won, we won big; every time we lost, we lost by one", said Chris Jacobi. Scott Clark added, "We just couldn't win the double header," which caused two of the teams four losses.

The whole team agreed that Coach Allen was great. "He taught us a great deal about the fundamentals of the game. He taught us more than just baseball, he taught us about good sportsmanship and to take the bad with the good."

Because of their ability to stay on top, these guys have great potential. In fact, Coach Allen said, "I think four or five of the guys will most likely be on the varsity team next season." Good luck to those guys and good luck to the team!

J.V. WINS WHITE PINE



Pitcher Tory Vasey throws another one of her pitches past her opponents.

Tracy Schramke delivers a key hit.

"This is the best team I've had in five years," said Coach Andy Reis, whose team went 20-8 and won the White Pine Title with a 7-1 record. Leading the way were M.V.P.'s Torri Vasey and Tracy Schramke. Vasey, had a pitching record of 9-3 she had 3 no-hitters and a batting average of .316. Schramke, who showed hustle in every game batted .279. Alica Ulbricht led the team with a .495 average, a 11-4 pitching record and threw a team high 141 strikeouts. Ulbricht was named the best freshman and Michele Gendregeski was voted the most improved player. Overall the season was a success. Hard working practices paid off in games. It seemed like an especially long season for Amy Reis, who was voted by her teamates coach's pet. Jennifer Giltrop said, "We worked really hard and had a lot of fun and in the end it really paid off." Mr. Reis said he is looking forward to next season. The whole team said the best part of the season was the bus rides home with Jennifer Carter.

J.V SOCCER OPENS WITH 1-0 VICTORY

Ike's number eight beats Valley Lutheran to the ball.

Eisenhower Girls J.V. Soccer opened their season with a 1-0 victory over Carman Ainsworth, then went on to post a 7-2-2 season record. Cherie Campbell, who scored the only goal, went on to score ten goals in the season and win the top scorer team award. The second game of the season against Valley Lutheran ended in a victory, but proved costly to the Commanders as goalie Laura Coyle sustained a broken nose and missed the remainder of the season. The rest of the players took turns filling the position during the remainder of the year.

The biggest loss of the season was against hometown rival Douglas MacArthur, 3-2. Later in the season the two teams met again and played to a scoreless tie. Jill Martin said of the game, "Everyone played to the best of their ability, and while we were upset that we didn't win, we were happy that we didn't lose."

At the end of season banquet, Coach Jim Doran presented awards to Laura Coyle and Jill Martin for best sportsmanship; Jenny Jarabeck for Most Valuable Player on defense; and Kim Zissler for Most Valuable Player.

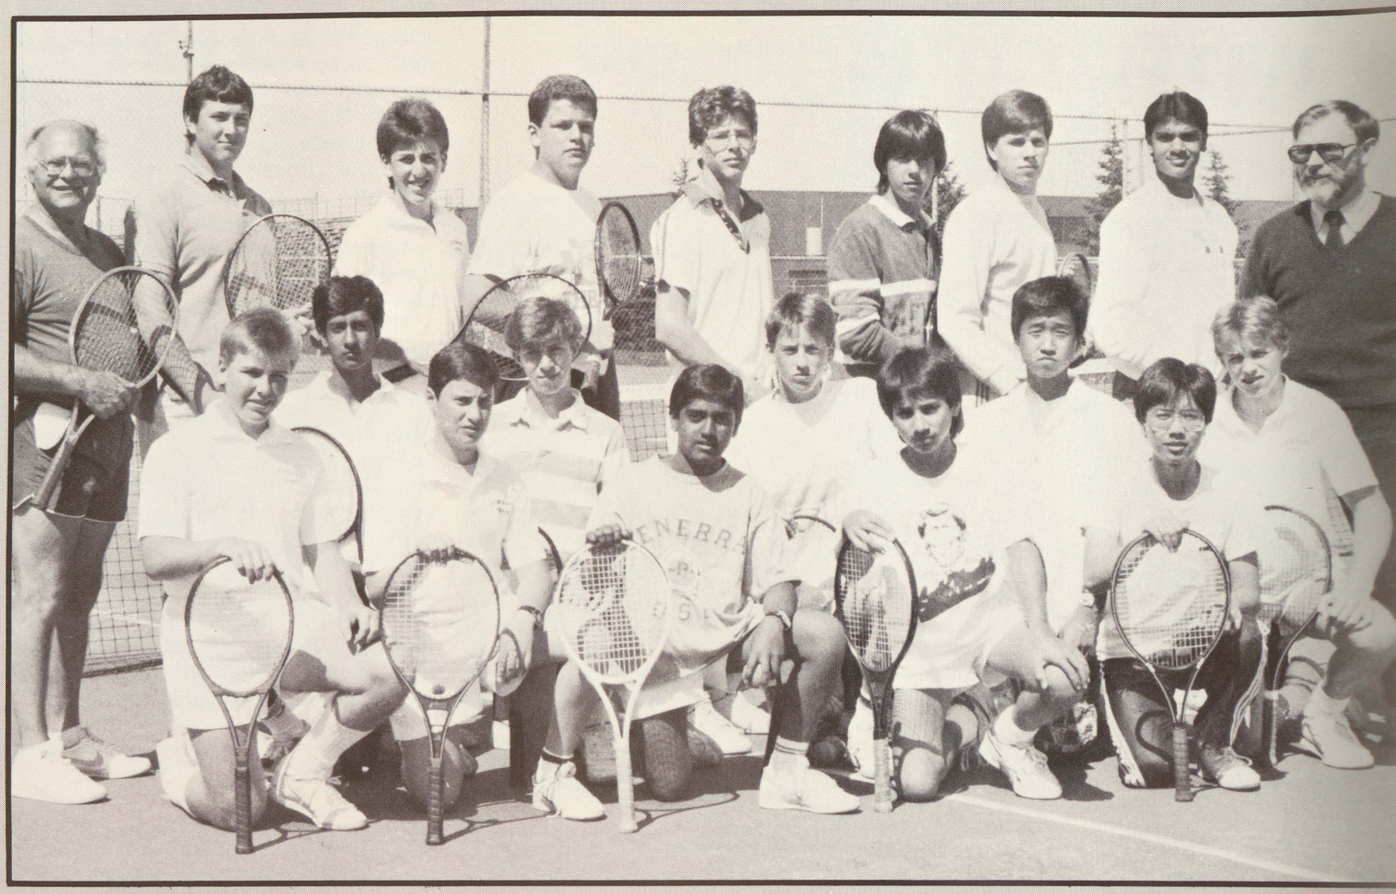
VICTORIOUS SEASON FOR J.V. TENNIS!



Front row: Tom Brasseur, Serdar Yonak, Sanuj Ravindran, Mike Carter, Tig Keopunna. Back row: Amar Malik, Tom Nickel, Dave Vance, Jae-Kyung Lim, Blake Dewitt. Standing: Coach Jim Teal, Steve Kerby, Matt Hanchon, Rick Thomas, Bob Guerin, Adam Demetriou, Chris Sidney, Param Dedhia, Coach Richard Williams.

The combined JV and freshman team finished the season with 8 wins and only one loss. Mr. James Teal was the JV coach, and Mr. Richard Williams coached the freshman team. One thing that both coaches were happy about was the enthusiasm of the players. "They were a bunch of very nice kids," Mr. Teal said. When asked about the freshman team, Mr. Williams commented, "We had a great group of players. I was especially happy when we defeated the teams from Midland." Due to the combination of these two teams, there were some freshmen who participated in the JV matches. David Vance was one of them. He, who played #1 singles for JV, was selected to be the Most Valuable Player. For the freshman team, Tom Brasseur was the Most Improved Player and Steve Valiquette was the best all-around. It is a pity that these fine players could not be given their awards, since a banquet was never held. Hopefully, there will be a banquet next to celebrate an equally successful season.

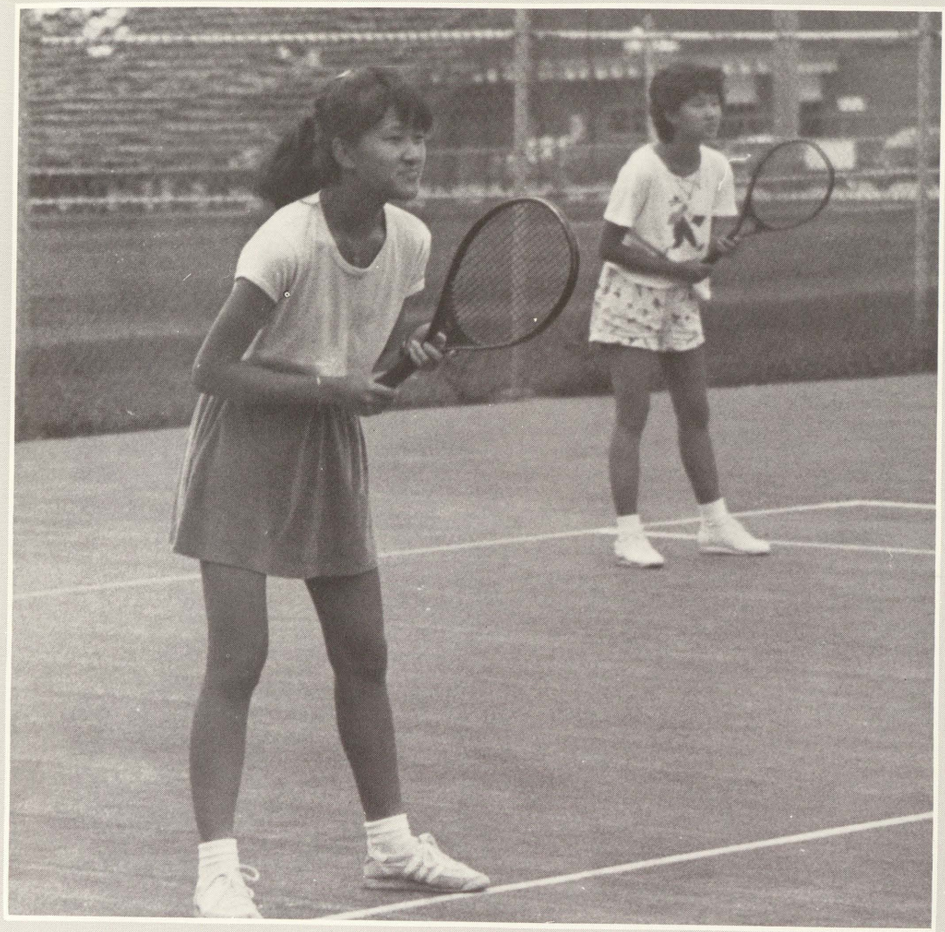
SEASON FILLED WITH MANY GOOD TIMES



"The season was very enjoyable for me and I feel the kids had a lot of fun also," remarked Coach Bill Stocker about his Girls' JV Tennis Team.

One reason for the disappointing record of 2 wins and 7 losses was lack of experience. The team was short of players so some spots were filled by inexperienced players. Doubles partners and sisters, Judy and Lori Pi, received the Most Improved Players Award. Earning the Most Valuable Player Award was another doubles team of Heidi Johnson and Lisa Blumenfield.

"Even though we didn't have many wins, we had a lot of good times and that's the important thing," commented Coach Stocker.

Catch me if you can.

With an almost perfect record of 8-1 the J.V. football team had an outstanding season. "It was the best since 1976." said Eric Luplow. Matt Dudek feels they could have prevented their only loss by being better psyched. He feels the reason the team did so well was because of the stubborness of the coaches. "They were very hard on us and they never gave in" quotes Dudek. Hal Shannon feels the long hard practices really were worth it. "It was worth every bit of it to be able to feel that sense of accomplishment" quotes Shannon. The team shared the Co-White Pine Championship with John Glenn.

Jon Halstead was the best running back our team has seen. "It was a lot of fun" quotes Halstead. "I think everyone learned a lot and we are well prepared for varsity next year." quotes Halstead. The team changed quarterbacks in the middle of the season because Aaron Alverson moved to Varsity. His position was taken over by Matt Kubiak. This increased the value of the team.

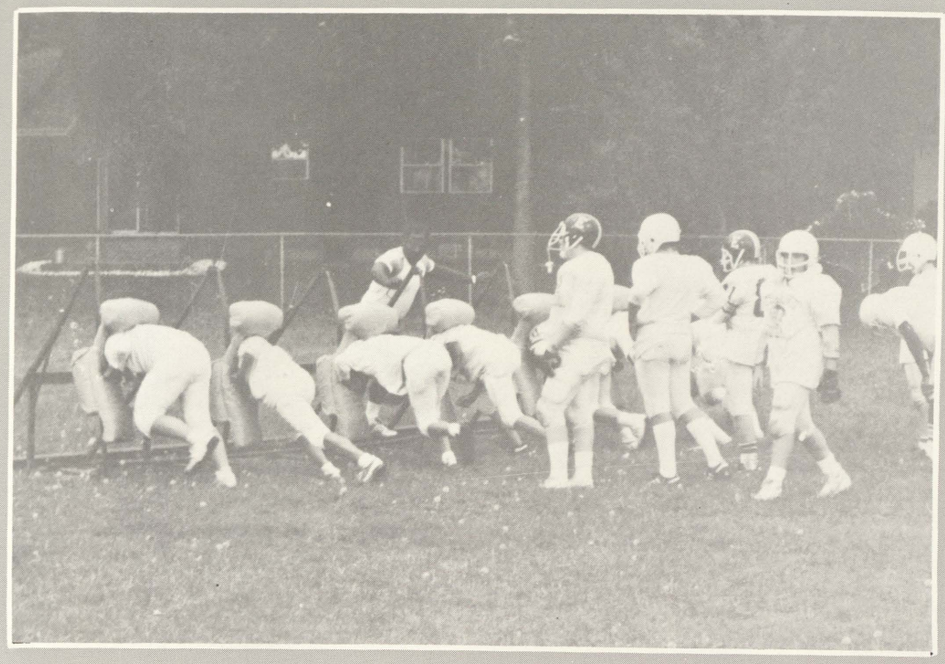
FRESHMAN FOOTBALL CAN GO NOWHERE BUT UP



Practice makes semi-perfect.

"We found ourselves fighting an uphill battle," Coach Jim Rummler said of the Freshman Football Team after a season in which they won only one of eight games. "One problem we have is no junior high football," he said. All other freshman teams, except Douglas MacArthur, are composed of players who have participated on junior high football teams. "Every year our team is starting out brand new."

Rummler went on to name key players such as Gallagher, Gray, Adkins, Bronz, and Giacoletti. Mark Gallagher played linebacker and end but Rummler said, "He played really well defensively." Van Gray was a consistent back and excellent runner while Rummler named Dave Adkins as his best lineman. Kevin Bronz was an excellent lineman and Kevin Giacoletti played as an outstanding halfback. "I saw a tremendous amount of improvement and they have come a long way as far as bettering themselves." Rummler ended by saying, "Hopefully they had fun, learned a lot, and improved their technique." Coaches Cliff Fry and Jim Rummler could not have done all that bad if the team won at least one game.

THE TRADITION CARRIES ON

Without too many rained-out matches, this last Eisenhower J.V. Golf team had a great season. They finished the season with the record of nine wins and only one loss. "We carried a lot of the old traditions from last year," said coach John Karam. He also added that all the players were great, but there were quite a few surprises. According to Coach Karam, the players with little experience ended up leading the team. When asked who the Most Valuable Player was, coach Karam commented, "I don't want to name anyone, because I don't want the others to hate me. Although they did not receive the top score, Todd Omher and Matt Carrick were the medalists. With a 39, Adam Krzyzaniak received honors for the top score of the team. "This is the season that I will never forget, because it was the last team and it was a good one" added coach Karam.

John Frehling dives to another shutout.

With a lot of enthusiasm and experience to back them up, the JV Soccer team had a very outstanding season. Finishing with a 12-1-1 record, the JV team's only blemish came from Grand Blanc.

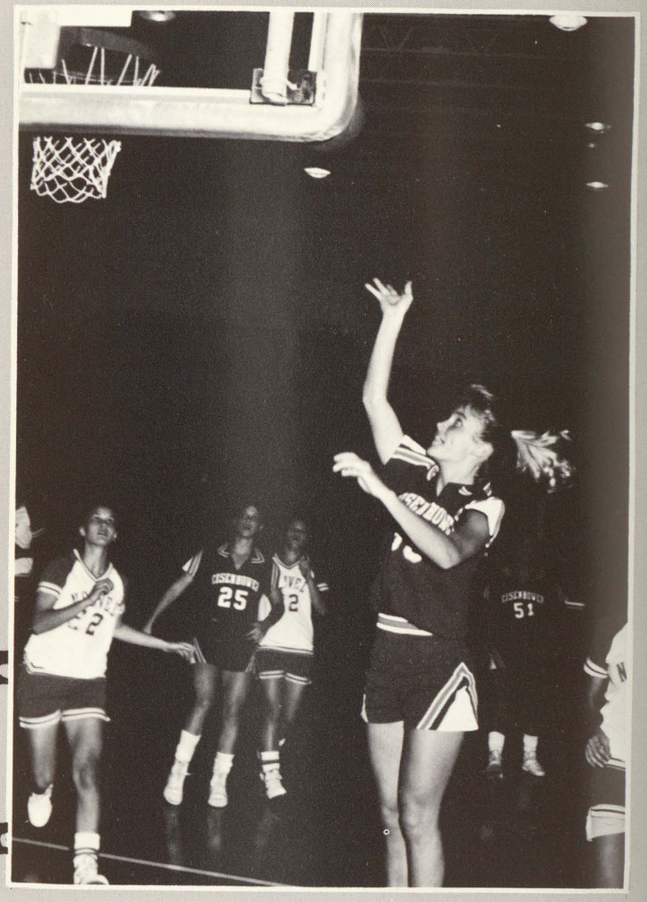
"It's too bad we didn't have a return game with them," replied Coach Norm Jones.

Throughout the season, the team dominated opponents, including a 3-1 win over arch-rival Douglas MacArthur.

"Of the 14 games we played, we scored 69 goals and allowed only 7 goals on us," replied Coach Jones. Tim Sieferlein led all scoring with 14 goals, while Brian Rilko was second with 9 goals. Defense was strong all year with excellent play from sweeper Wayne Jacob and goalie John Frehling.

The JV team anticipates filling the shoes of the Varsity team, as many Varsity players will graduate this year. Of course, they know that practice and dedication will be needed to continue their winning ways.

PLAY TO KILL



Tara makes a shot.

Will Alicia win the fight for the ball?

Movement was the key to the girls junior varsity basketball team this season; most of the movement was between and among teams. Natalie Rummler and Diedra Maiers anchored the junior varsity team. Alicia Ulbrecht, Leslie Vickrey, Jenny Giltrop and Amy Reis moved up to varsity, while Kristie Fresorger and Stacy Minnis left the freshman team to join junior varisty.

GIRLS J.V. BASKETBALL

Levandowski

SHOOT TO THRILL

The Girls Freshman Basketball team didn't see too many points on their side of the scoreboard this year. The girls didn't have a winning season, but still kept on going.

They worked very hard, right from the beginning of the season, and by the end, their improvement could be seen. One of the disappointments came when they found out two of their best players were moved up to the JV team. However, the other team members worked extra hard to make up for them.

Although the girls had a 3 win, 13 loss season, they had a lot of fun and learned a new game. They will certainly be ready for next year when they become JV players.

With all their determination and skill they will no doubt be a winning team next year!

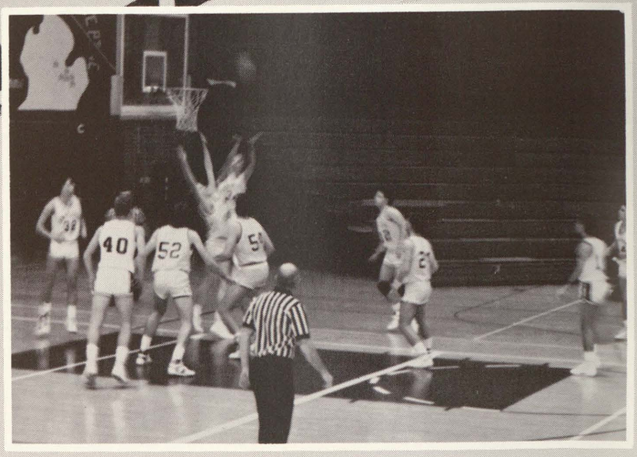
The J.V. Basketball team pulled a 9 wins and 1 loss record. The team was victorious with the help of top scorers; Scott Clark, Aaron Alverson, and Paul Abenth. "Practices were really tough but in the long run it was worth it," says one J.V. Basketball team player. The most exciting game of the season was against Buena Vista in which Eisenhower won 73 to 69 in overtime. "That was the hardest game of the season," stated team player Aaron Alverson.



NOT MISSING A SHOT

Which will it be — shoot or pass?

Bill Garcia makes the last point, winning the game.

The freshman basketball players started out their year with a victory over Nouvel with a 20 pt lead. They also beat our rival Douglas MacArthur by 1 pt in their second game, just to name a few of their wins.

Coach Jim Noble's A-team of eight people and coach Tim Conley's B-team of eleven people are doing a great job, especially considering they are beginners in this sport. They work hard and have a lot of fun at practices and games. I'm sure they will be more than ready to go on to J.V. or some even to varsity next year.

We would all like to say congratulations to coaches Noble and Conley on what a spectacular job they did on creating a team of winners.

Eisenhower's freshman A-team is comprised of: Jared Boss, Tearle Copeland, Mark Gallagher, Levandis Gray, Brian Nuffer, Jose Rico, Brian Rilko, and Brandon Town.

The guys that play for Eisenower's freshmen B-team are: Bill Garcia, Nick Iamurri, Adam Krzyzaniak, Damien O'Toole, Jason Petre, William Pi, Mathew Scholtz, Ed Shamanski, Paul Stankiewicz, Ed Stone, and Jamison Sullivan.

BEHIND THE

SCENES

CHANGES

The Homecoming festivities began when members of the junior and senior classes were given a list of all the senior girls from which to choose nine members for the Homecoming Court. The votes were tabulated and the Homecoming Court members were announced at a pep assembly two days later.

The girls chosen to represent the last Eisenhower Homecoming Court were: Kristine Becker, Stephanie Bierlein, Shari Doyle, Jodi Haskin, Susan Jurik, Leann Luplow, Jill Martin, Rachel Sawley and Mary Swartzendruber.

The next several weeks were busy for everyone, as there were many preparations to be completed: the football team had extra practices; the Pep Club members were in charge of getting the dance tickets, preparing the decorations, and decorating for the Homecoming assembly and dance; the band members worked hard to perfect the music to be played at the football game; and both the cheerleaders and pom pon members put in extra hours to look especially sharp for the big game. This extra effort put in by these people helped make the whole weekend special for all.

The Homecoming Court and their escorts were presented at the annual Homecoming assembly on Wednesday. Scholastic and athletic achievements of each candidate were announced to the entire student body to give them guidelines on which to base their votes for the 1987 Queen.

During halftime of Friday night's Varsity Football game against Bridgeport the candidates were escorted onto the football field by their fathers. Finally, after each girl was announced, Kala Karu, the 1986 Homecoming Queen, proudly crowned Mary Swartzendruber as the 1987 Homecoming Queen.

Saturday night's dance was a huge success thanks to dedicated Pep Club members. The Student Center was decorated in green and purple, and music was provided by Almost Live. Everyone had a very memorable evening.

Although there are many changes to come, Eisenhower will live forever.
